

# Conscious Creating in the New Energy

## A Recipe for Success in 2009!

**Does life seem a little *different* lately? *That's because it is!***

The dominant energies on the planet are rapidly changing, bringing all of us along for the ride. In this global healing, the old stuck energies are quickly being broken down and released, making way for exciting new opportunities.

If you embrace this new energy, your life will expand to your highest expression. If you cling to the old energy, you may feel as if your life is falling apart.

If you are ready to shift with the times, this fun experiential workshop is for you!

**You will learn tools for...**

- 🌟 **Understanding changes on the planet,**
- 🌟 **Increasing your spiritual awareness,**
- 🌟 **Changing your old-energy patterns,**
- 🌟 **Identifying your next steps in life,**
- 🌟 **Placing your order with the Universe,**
- 🌟 **Clearing and raising your energy,**

As a professional clairvoyant and healer, **Jeffrey Allen** reads subtle energies and communicates with spiritual guides on a daily basis. While reading clients from around the world, Jeffrey has gained deep insights into the current planetary changes and how they are effecting our lives. From these insights, he has developed a recipe for success in the new energy!

*"My commissions have almost doubled since I began grounding as you taught... I decided to ground other aspects of my life for manifestation of other choices and am seeing amazing results." -JG*
